Around the Campfire

Reading: Point of View

We spent time discussing how characters in stories feel and their perspectives. This module in reading will continue to have students look at the different characters and details to determine the point of view.

Writing: Informational

Students working on the topic sentences as well as plotting their outline for their informational paragraph. Our goal is to complete this task next week. T

Math: Perimeter

We spent time working on perimeter this week. This is a big concept for 3rd graders, so it is important that students have an understanding and connection to this topic. Also, keep practicing multiplication/division facts- students are making gains!

Science/Social Studies:

Communities Build a Nation

We have been looking at how our past affects our present. Students will look at the changed caused by American exploration and settlement.

ACTIVITIES

- February 13-** Valentine's Celebration
- February 14 & 17-** No School
- February 21-** Moby Max Challenge ENDS
- February 24-** Spring Photo Day
- February 27-** Parent/Teacher Conferences

NOTES

Valentine's Day- The ice cream social/party will be at 1pm on the 13th. Please send in assigned ice cream toppings by then! Students can work on Valentine's Day boxes/bags at home and bring them in by Wednesday the 12th. (I will provide paper bags for ones who do not). Also, students may bring valentines, but please include the whole class, and wait until Thursday to hand out!

Parent/Teacher Conferences- The spring parent/teacher conferences are scheduled for Thursday, February 27. I will be available between 7:30-8am, and between 2:15-5:30pm. If you would like a conference, please e-mail or DOJO message me!

Moby Max Challenge: This will go until February 21. Points are based on time spent, focus, & accuracy. There will be prizes in each category for top point earners and progression. The focus will be on the following categories: math & language
www.mobymax.com and our school code is: **sd844**.

From The Teacher:

Students worked hard this week to get caught up on tasks. We added some literature circles to our reading group time frame, and we have appreciated the parent/grandparent volunteers coming in when they can to help- thanks so much. The students enjoyed celebrating the 100th day of school. Next week will be a fun (& short) week with Valentine's Day. The independence level is really increasing each and every day. I hope it continues. This class continues to keep me on my toes, but I truly appreciate them. So lucky to have them and your support this year. Have a great weekend! 😊 Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
