Around the Campfire

Reading: Unit 2

We are reading an informational text involving extreme places around the world. Students are making connections to stories we have already read in ReadyGen.

Writing: Informational

We will begin discussing and looking at features in informational writing and use those skills to write a paragraph.

Math: Subtraction Stories

We will continue working on subtraction and practice strategies to add and subtract fluently. The goal is for students to understand different types of addition and subtraction problems.

Science/Social Studies:

Junior Achievement

We will have our Junior Achievement representative, Lauren Beyersdorf in the next few weeks for sessions so students can learn more about communities and businesses within a community.

ACTIVITIES

January 11- Hailey's Birthday

January 13- NWEA Testing Begins

January 14- Clara's Birthday/ Book Orders Due

January 17 & 20- No School

NOTES

Spring Student Council: Congratulations to **Carson** for being elected as our class student council representative for the spring term.

NWEA: Next week, we will be doing our winter benchmark NWEA assessments. We are hoping students will make improvements from their fall scores and show skill growth towards their end of year goals. This will give teachers an update on what to target during intervention groups. Hopefully students can stay healthy and rested to perform their best.

From The Teacher:

What a fun week! Skiing was a blast, and I am guessing the kids came home asking when they can go again! We also had a guest author this week and some Dibels (Acadience) benchmarking as well, so it was busy. We are doing more winter assessments the next few weeks. Then we will be regrouping students for reading and math groups. We are still working on increased expectations and a faster work pace as this second half of the year prepares them for next year. Please keep students wearing coats, hats, and gloves to school. It is going to be cold next week! Hope you all have a wonderful weekend! 😊 Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
