Around the Campfire

Reading: Unit 2

We are reading an informational text involving extreme places around the world. Students are making connections to stories we have already read in ReadyGen.

Writing: Informational

We will be discussing and looking at features in informational writing and use those skills to write a paragraph.

Math: Elapsed Time

We will finish unit 3 in math next week. Before we start unit 4, we will spend some time working with elapsed time. This will be a short unit, but students will continue to use the skills on upcoming tasks.

Science/Social Studies:

Communities Build a Nation

We will be getting back to social studies learning how our past affects our present. Students will look at the changed caused by American exploration and settlement.

From The Teacher:

It was a good week- went by really fast. We have had some various illnesses the past few weeks keeping students out of school. Make sure kids are getting plenty of rest, water, and healthy meals. Also- thorough handwashing!! Next week, we will be doing some activities for kindness week. This will be a good time for students to reflect and work on practicing kind habits in and out of school. I continue to see maturity and growth in this class, and I anticipate that will continue. It is hard to believe January is almost over. February will be a short month filled with some fun events- stay tuned! Have a great weekend! 😊 Mrs. Anderson
