Writing: Informational

Our next writing task will be informative. We will begin discussing and looking at features in informational writing and use those skills to write a paragraph.

Math: Finding the Difference

We began working on subtraction and practiced strategies to add and subtract fluently. The goal is for students to understand different types of addition and subtraction problems.

Ski Trip: The class will be going to Terry Peak on January 8 for our field trip. Students need to be to the school by 7:15am. **All students** will have lessons if they ride the bus up. If they do not ride bus, they will be considered absent from school that day. A reminder note will be sent home before we go!! Parents are welcome to meet us up there and even enjoy skiing with your child if you choose to purchase a lift pass.

From The Teacher:

Welcome back to a bright new year--2020!!!! It's nice to get back in the routine of school! I would like to say "Thank you" again for the Christmas gifts and kind thoughts that all of you were so generous to give. I hope your Christmas was restful and happy! Coming back to school has been an adjustment to the kiddos. Some of them were still in break "mode," and I do not blame them. Their expectations are higher now, and sometimes this takes a while for them to assume their role. I look forward to seeing their growth in the second half of the school year!
