Around the Campfire

Reading: Informational Text

We will continue to spend time comparing the different informational texts from this section and connect them to our learning. These texts connect really well to our science

Writing: Informational

Students began reading books on a person from history in which they will report on. Next, we will start to plan our reports.

Math: Unit 6

We began a new unit in math this week. We are working on fractions. This is one of the more difficult concepts for students, so please support students on their work at home. Lots of connections to fractions can be made during cooking/baking as well as other projects around the house.

Science/Social Studies:

Government

The next few weeks, we will be exploring the levels and branches of government.

ACTIVITIES

March 14- Harrison's Birthday

March 18-22- Spring Break: No School

March 26- Report Card Envelopes DUE

NOTES

Report Cards- These will be sent next week. Please review, keep the reports, sign envelope, and send back with student by Thursday 3/25. If you have any concerns, please let me know. I am seeing great progress with all of the students. We are in our third and final trimester of the year will include higher expectations and more responsibility placed on the students. I will make it a point to contact you if your child is not holding themselves accountable. I want to make sure they are all ready to be achievers in 4th grade☺

Freckle Math: The school has been piloting a math program. The students seem to enjoy the program and I find it helpful with their skills, so I thought it would be good if they wanted to practice at home. The log-in information is: www.freckle.com. They will log in as students, and the code is: 83TT8M

Moby Max- www.mobymax.com and our school code is: sd844. (language, vocab, literature, and math)

SORA (Online reading): <https://soraapp.com/library/tiesd>
Username: same as computer username

From The Teacher:

We had a good week of learning. I am seeing students step up more and take ownership of their understanding. I have been impressed with some of the discussions we have been able to have. With the continued nationwide health concerns, the school will continue to monitor the situation and keep you informed. Students can utilize online program (Moby Max, Freckle Math, Prodigy, etc). I will try to update through DOJO as well. Thank you for being awesome! Have a great weekend and good spring break! ☺ Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
