Around the Campfire

Reading: Informational Text

We finished module A of Unit 3 this week. We will begin Module B next week. In the new section, students (readers) will understand that informational texts have various structures and features that aid the reader's comprehension.

Writing: Informational

The students finished their informational paragraphs this week. We will continue working on informational pieces for a while longer, as we have a president's report yet to do.

Math: Unit 4

We completed unit 4 (area and perimeter) this week. Next week we will begin working with fractions. Fractions are a tough concept for kids, so we will make sure we get lots of practice.

Science/Social Studies:

Weather

We finished our section on weather for science this week. We will see how it connects to what we read in ReadyGen. We will be working on government in social studies next week.

ACTIVITIES

March 8- Daylight Saving's Time

March 12- Book Orders DUE

March 14- Harrison's Birthday

March 18- Report Cards Go Home

March 19-22- Spring Break: No School

NOTES

Freckle Math: The school has been piloting a math program. The students seem to enjoy the program and I find it helpful with their skills, so I thought it would be good if they wanted to practice at home. The log-in information is: www.freckle.com. They will log in as students, and the code is: **83TT8M**

Moby Max- www.mobymax.com and our school code is: sd844. (language, vocab, literature, and math)

From The Teacher:

This week was a good learning week, despite some illness and absences. Our Battle of the Books team did well in the battle this week- we are proud of their hard work. We also had a fun trip to the Outdoor Campus. We finished some sections in our learning just as the trimester ended this week. Now we have a busy month of learning ahead of us. I want to make sure students are prepared for their upcoming SMARTER Balanced testing in the middle of April.

Hope you have a great weekend 😊 Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
