## ACTIVITIES

**November 22-** End of 1<sup>st</sup> Trimester

**November 26-** T-Shirt Orders Due

**November 27-December 1-** No School/  
Thanksgiving Break

**December 2-** American Legion Poems  
DUE

## Reading: Central Message

We will continue identifying central messages and key details in text. Students should be able to describe characters in a story and explain how their actions contribute to the sequence of events.

## Writing: Responses

We worked on responding to text questions using evidence directly from the text. Our ReadyGen curriculum continually promotes this skill, we ongoing practice is necessary. Students are making improvements with it.

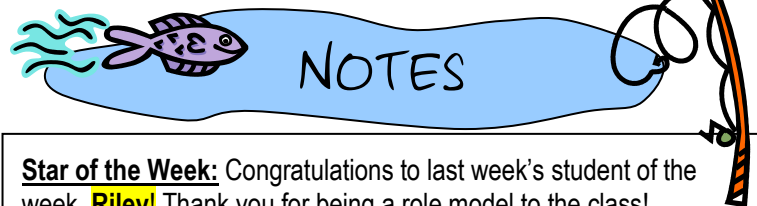

## Math: Working with 100

We will finish unit 2 next week. We will move on to Unit 3 in which we will spend a good chunk of time working with rounding and extending our knowledge of the number system to 1,000.

## Science/Social Studies:

### Geography

We continued with our geography study. Students took their quiz on the continents and oceans. They will have another opportunity on the quiz next week.

**Star of the Week:** Congratulations to last week's student of the week, **Riley!** Thank you for being a role model to the class!

**AR/Reading Goals:** Keep logging those reading minutes at home for BOOK IT. This is also helping with AR points increasing. Remember to encourage your child to read 30 or more minutes daily. This will help students in their overall reading performance. I am hoping we continue to see the gains in the reading fluency and comprehension.

**Moby Max:** You can access it at home: [www.mobymax.com](http://www.mobymax.com) and our school code is: sd844. The students can do language, vocab, math, and fact master categories for practice.

## From The Teacher:

Another good week for the class! We worked hard, and students still seem eager about learning. Please ask them about the book we are reading in ReadyGen "The Year of Miss Agnes." They are super engaged and excited to discuss this book. We have another full week before Thanksgiving break. We will be doing a few fun Thanksgiving activities leading up to the holiday. This weather has been very up and down in temperatures. Please continue to keep students prepared for the changing patterns. Hope you have a great weekend! ☺ Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
