ACTIVITIES

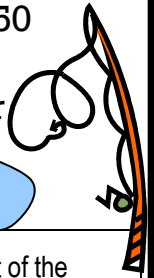

November 3- Daylight Savings Time

November 5- Candle Fundraising Packets DUE

November 6- Early Release @ 12:50

November 8- Book Orders DUE

November 22- End of 1st Trimester

Reading: The World Around Us

We started another story in our unit this week, "About Earth." We also began discussing text features in this informational book. Students will continue to use text features to convey information.

Writing: Writing Skills

We will continue to work on some important writing skills, such as forming complete and detailed sentences in the next few weeks.

Math: Modeling with Data

We will continue in Investigations Unit 2 with representing data with a bar graph or pictograph. Students are also observing and interpreting the data on various graphs.

Science/Social Studies:

Our Environment

We finished our economics unit with "The Big Squeeze." The next focus is geography and how we interact with our planet. Students will be learning about the major landforms and bodies of water.

Star of the Week: Congratulations to last week's student of the week, **Grace!** Thank you for being a role model to the class!

Candle Fundraiser: This goes until **November 5!** Students need to turn in candle packets even if they did not sell any. Thank you!

Book Orders: I understand Christmas is still a ways out, but any early shoppers may want to consider ordering a book from the book orders. We will be doing a book exchange as gifts for classmates. A book around \$5 that can be for either boy or girl.

Moby Max: You can access it at home: www.mobymax.com and our school code is: sd844. The students can do language, vocab, math, and fact master categories for practice.

From The Teacher:

Whoa- what a crazy week! The students seemed to enjoy our Halloween festivities! Many thanks to the families who helped with our party, and thank you to everyone for sending in "Boo Stew" supplies. We had to say "See you later" to Miss Knight today as she moves on in her journey to become a teacher. You will still see her around town and at the Middle School if you are there in the next few months. Hopefully she will come visit and even sub for us in the spring. This is the last weekend for candle fundraising- please send packets in any time before Tuesday the 5th. The students have really stepped up as leaders in the classroom, and it is helping in their discussions and learning. Please enjoy the weekend with your child! Don't forget about the time change on Sunday! ☺ Mrs. Anderson & Miss Knight
Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
