 Around the Campfire

ACTIVITIES

November 26- T-Shirt Orders Due

November 27-December 1- No School/
Thanksgiving Break

December 2- American Legion Poems DUE

December 4- Early Release @ 12:50pm/Report
Cards GO HOME

December 6- Pennies for Patients Drive Ends

Reading: Central Message

We will continue identifying central messages and key details in text. Students should be able to describe characters in a story and explain how their actions contribute to the sequence of events.

Writing: Responses

We continued to practice our responses to questions using complete sentences and text evidence. When the students come back from break, we will begin planning another narrative writing piece.

Math: Building 1,000

When we come back from break, we will be using knowledge of place value to add and subtract. This will continue to improve our addition and subtraction fluency. Keep practicing multiplication facts too!

Science/Social Studies:

Forms of Energy

During science, students will continue to learn about different forms of energy. Students will make several real-life connections throughout this section.

NOTES

Star of the Week: Congratulations to last week's student of the week, **Luke!** Thank you for being a role model to the class!

November Above & Beyond: Congratulations to **Grace** for being selected at this month's Above & Beyond recipient for Citizenship.

Report Cards: Students will bring report cards home in school provided envelopes. The envelope will include their report card as well as assessments and other school reports. Please remove all the materials and sign the envelope and send it back to school. If you have questions regarding report cards, let me know 😊

Moby Max: You can access it at home: www.mobymax.com and our school code is: sd844. The students can do language, vocab, math, and fact master categories for practice.

From The Teacher:

This week was another good one. All the kids still seem excited about learning and improving. I appreciate all the help at home with their reading, geography, and multiplication facts. I continue to see growth in the students and their learning. There will not be a newsletter next week. I am definitely thankful for this group of students and parents! I hope all of you have a safe and wonderful holiday. 😊 Mrs. Anderson

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!

PS- If you're shopping over Thanksgiving (black Friday): For our Christmas celebration, we will have a book gift exchange. Each student brings a wrapped book, (\$5.00 limit), that would be appropriate for either a boy or a girl) to give to a classmate 😊

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
