ACTIVITIES

Around the Campfire

Reading: The World Around Us

We will continue on in our unit in which we are identifying and explaining key events in stories. We will learn how to look for the central message, or main idea of a story- this is a huge 3rd grade skill.

Writing: Narratives

Students finished their narratives this week. We will be working on some foundational skills in the next few weeks to improve their writing.

Math: Division & End of Unit

Next week, we will finish our first unit in math. This will put multiplication and division skills to the test by solving more complex problems. We encourage you to practice flashcards at home to help their fluency!

Science/Social Studies:

Economics

"The Big Squeeze" was launched this week. We encourage you to ask your children for more information about it. This project will incorporate economics as well as offering services to a good cause.

October 17-30- The Big Squeeze" Drive

October 21-24- Parent/Teacher Conferences

October 23- Unity Day: Wear Orange

October 24- Cash's Birthday

October 25- No School: Fall Break

October 30- Boo Stew Supplies Due

October 31- Halloween Party 12:30-2pm

NOTES

October Above & Beyond: Congratulations to **Sydney** for being selected as this month's Above & Beyond recipient for Respect!

Star of the Week: Congratulations to last week's student of the week, **Noah!** Thank you for being a role model to the class!

Halloween Party: We will celebrate Halloween on the 31st at 12:30-2pm. Students are asked to bring their costume **in their backpack** to school. Please send a costume that your child can easily put on over their clothes quickly without help and that will help celebrate the day in a fun way. We will wear change after lunch. Please no scary masks, fake weapons, painted bloody faces or gory costumes.

Candle Fundraiser: This goes until **November 5!!** Keep selling!

Moby Max: You can access it at home: www.mobymax.com and our school code is: sd844. The students can do language, vocab, math, and fact master categories for practice.

From The Teacher:

Yet another week has come and gone, and we love watching your students learn more every day. Thank you for attending open house this week and for all of the communication in order to get conferences scheduled for next week and planning for Halloween party. I've seen a lot of improvement in the students, and hope it only continues to get better from here!

Next week will be a busy and short week at school with conferences. Please help remind your child about selling candles.

This fundraising covers all of our field trip and class expenses for the whole year. Next Friday there is no school due to Fall Break. Enjoy the weekend! ☺ Mrs. Anderson & Miss Knight

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
