Reading: Characters' Actions

We continued to discuss how characters' actions affect the sequence of stories and how characters change throughout stories. Students have really enjoyed reading and discussing "The Case of the Gaspin Garbage."

Writing: Narratives

Students started to brainstorm and plan their fictional narratives. We read several examples of fictional narrative, and the students seemed to connect well to this.

Math: Multiplication

We discussed all of the strategies we have learned so far for solving multiplication problems. We will continue to learn more strategies in the upcoming week. Keep practicing at home!

Science/Social Studies:

We will start to discuss the questions scientists ask and the skills they use.

NOTES

September Above & Beyond: Congratulations to **Cash** for being selected as this month's Above & Beyond recipient for "Good Attitude" at the Honor's Assembly!

Fall Fitness Festival: You are welcome to join us on Thursday. I will post some pictures (maybe videos) on DOJO if you aren't able to be there!

Moby Max: Your child might have mentioned Moby Max, because the kids were introduced to the program. You can access it at home: www.mobymax.com and our school code is: sd844. The students can do the language, vocab, math, and fact master categories for practice. Use as often as you would like. The more time spent, the longer game time earned.

From The Teacher:

This group of students are so much fun! They seem to really get along and work together. We have settled into our routines, and the students are understanding their expectations. We will have fall fitness festival next Thursday. Please make sure students are dressed accordingly for this event and they have a proper shoes for the activities. We will provide a water bottle for them to use and fill through the day. Students will have their class shirt to wear that day. Next Friday will be the homecoming parade and students will be released early in order to attend.

Enjoy the weekend! ☺ Mrs. Anderson & Miss Knight

Please feel free to call, send DOJO message, or e-mail me any questions or concerns about your child. Thank you!
